Summary of Legislation: (Amended) This bill defines contraception and states that contraception is not subject to or governed by the abortion statutes. The bill provides that informed consent to an abortion includes the requirement that a physician inform a pregnant woman that there are differing medical opinions concerning when a fetus feels pain. The bill also provides that notice must be given a pregnant woman in writing at least 18 hours before an abortion concerning the availability of adoptions, concerning physical risks to the woman in: (1) having an abortion; and (2) completing a pregnancy; and stating that an embryo formed by the fertilization of a human ovum by a human sperm immediately begins to divide and grow as human physical life.

Effective Date: July 1, 2007.
